About Me

I am a highly motivated and enthusiastic computer science graduate seeking an entry-level opportunity to kick-start my career in the field of technology. With a solid foundation in computer science principles and proficiency in programming languages, I am eager to apply my knowledge and skills to contribute to innovative projects and solutions.

Personal Data

- **Date of Birth:** December 25, 1999
- **Age:** 23
- **Sex:** Male
- **Nationality:** Filipino
- **Civil Status:** Single

Education

BS in Computer Science

2019 - 2023

University of St. La Salle

Bacolod City, Philippines

Student Intern

IReply Back Office Services, Inc. (2022 - 2022)

- During my internship, I gained valuable knowledge and experience, primarily focusing on front-end development while also gaining some exposure to back-end tasks.
- I have developed expertise in web development using HTML, CSS, JavaScript, and PHP, and I have utilized the Laravel and Vue frameworks.
- Collaborated effectively with my seniors and fellow interns, successfully meeting all assigned quotas within the given timeframe and ensuring timely execution before the deadlines.

Workshops and Seminars

- Augment Lecture Series Webinar: Reimagining Research using Machine Learning (February 17, 2023)
- Augmented: Time Series Workshop using TABLEAU and WEKA for Data Visualization and Machine Learning
- EDUCBA: Data Science With Python
- EDUCBA: SkillUp in TABLEAU
